

SMART HOME MONITORING

Smart Detection – Crime Prevention – Peace of Mind

HOW DOES IT WORK?

Cameras are programmed to detect exceptions or are triggered by detectors.

We verify the alerts and action audio challenge & siren.

Responders are dispatched
Communication on Community
Smart Apps.

WHO INSTALLS THE CAMERAS AND SOFTWARE?

- Verifier **refers accredited installation companies** in order to ensure the desired results.
- Your required internet breakout capacity is dependent on the system and number of cameras.
