

## **SMART RETAIL MONITORING**

What's Happening in your Store?

## HOW DOES IT WORK?

Camera systems are programmed to detect exceptions.

We verify the exceptions and system violations.

Escalations are actioned and Reported. Smart Apps Real-time Communication.

## WHO INSTALLS THE CAMERAS AND SOFTWARE?

- Verifier refers accredited installation companies in order to ensure the desired results.
- Point of Sale (POS) integration is required for meaningful reporting.

## WHY USE VERIFIER?

- Our centralised specialist service is **cost effective** due to EBR (Exception Based Reporting).
- We further **mitigate** the risk of site security collusion with organised crime syndicates.
- We arrange **training** for investigations by Management.
- Systems are tailor made to match your requirements and budget – **various offerings** available.
- We do **Management and Marketing support** including remote incident management and virtual mystery shopper.
